Subject: Parking "Bump Out" on Tollgate Association Property

Dear Mr. Mallon:

This letter is simply a friendly reminder that your continued use of the "bump out" that encroaches upon Tollgate Association property behind #104 and #106 Tollgate Way (presently used for parking vehicles) is with the express permission of our homeowners association.

Although we do not presently have any plans to revoke this permission, such permission has been – and is – granted at the sole discretion of the Tollgate Association and can be revoked at any point in time without prior notice.

If you have any questions or concerns about this letter, please do not hesitate to contact me at (703) 614-8051.

Sincerely,

A handwritten signature in cursive script that reads "Garry G. Sauner".

Garry G. Sauner
President, Tollgate Association
